

11x17 TRI-FOLD

file size 17.25" x 11.25"

For the best quality printing, we recommend no less than 300 dpi (resolution). Your art work needs to be created at this size originally, and saved properly in the appropriate format: PDF, TIF, JPG, EPS Please make sure to either OUTLINE all text/fonts, or send the fonts with your art. This will prevent any fonts from defaulting on our end. If you have any questions, please contact our design department. 586.573.4444
